ABOUT US:

INFOlekha.org is a Startup India Recognized Educational Platform and also India's leading educational platform. We're dedicated to providing reliable, up-to-date information about the best schools, colleges, and institutions near you. Our team of experts works tirelessly to research and compile accurate information about various educational institutions, making it easy for students and parents to find the perfect fit. We understand that finding the right school or college can be a daunting task, especially with so many options available. That's why we've created a user-friendly website that allows you to easily browse and compare different institutions based on criteria such as location, programs offered, and admission requirements. In addition to providing information about educational institutions, we also help connect tutors and other support staff with job vacancies in the education sector. Our platform serves as a one-stop-shop for all things education-related, making it easier for everyone to access the information they need to succeed. At INFOlekha.org, we believe that education is not limited to academic institutions. That's why we also conduct events, seminars, and other such activities that promote holistic learning and personal growth. Our events bring together students, parents, educators, and experts from various fields to share knowledge and insights on a wide range of topics. From career guidance to skill-building workshops, we offer something for everyone. We're committed to providing the most accurate and up-to-date information possible, and we believe that education is the key to a brighter future. Thank you for choosing us as your trusted source for education-related information and activities in India!

OUR VISION:

To be the leading educational platform in India, empowering individuals to make informed decisions about their educational journey and promoting lifelong learning for personal and professional growth.
